If accepted, the local commander will endorse and forward the application to the MACOM.

(2) The endorsement will cite the services, programs, and activities being received from the PO that warrant special consideration for the PO; that the additional support authorized can be provided; and an estimate of the additional or nonroutine costs for providing that support.

(3) Application will be processed through command channels to CFSC-AE-P and will be evaluated at each level. If appropriate, HQDA will forward the application to the Office of the Secretary of Defense (OSD), which
